

Looking for your next challenge? **At Microsoft's Israel Development Center (ILDC)**, you'll be able to work at the forefront of technology with access to unparalleled opportunities. We are home to multiple technology groups with a large variety of teams. We speak all languages; **C++, C#, Java, AngularJS** – you name it. Whether you're interested in Artificial Intelligence, Big Data, or Security, one thing's for sure – you'll never stand still at Microsoft.

We're a worldwide company with a startup spirit, where innovation comes with fresh breakfast, personalized lattes, and Xbox breaks. Live in Tel Aviv? We've got your covered. The Microsoft Shuttle will bring you right to our doorstep. Bring your passion, bring your talent... even bring your dog, and join us in creating technology that impacts millions.

Are you ready? Join us!
